

IC 34-46-2

Chapter 2. Statutes Outside IC 34 That Confer Privilege

IC 34-46-2-1

Listing of other privileges; effect of listing

Sec. 1. (a) This chapter contains a list of references to other privileged communication provisions outside IC 34.

(b) Listing in this chapter does not equate to the creation of a privilege, and failure to be listed in this chapter does not negate a privileged communication recognized elsewhere in the Indiana Code.

(c) Many of the statutes granting privilege also contain exceptions to the privilege granted and therefore each statute must be consulted directly to determine the extent of the privilege provided.
